WHY SHE SHOULD WIN

Sarah: "Sophie is a strong, classic beauty. She has one of the best portfolios out of all the girls in the competition – her pictures are all very good and her look is adaptable to different briefs."

Charlotte: "Sophie is what fashion is turning toward – pure glamour and beauty. She came into the competition a different girl – she has transformed into a mega model. I think she's amazing."

WHY SHE MIGHT NOT

Sarah: "I'm not sure if she is high fashion enough. Her look is a bit more commercial."

Charlotte: "She may be restricted by her lack of experience."
